

Drovers Crossing News

Spring/Summer 2018

Assessments are due May 1. If you haven't paid them, please do so now.

Please Slow Down in the Subdivision

One of the best things we do as a subdivision is watch out for one another.

When there are strange cars, or strange people, in the subdivision, we are quick to inform the authorities, and each other, about the potential danger.

The same should apply to people driving at excessive speeds in the subdivision.

With all the young families moving in, it is more important than ever that we have an open dialogue with our neighbors when we see someone we know driving too fast.

We don't want tragedy to be the reason we finally take action, and a proactive approach to keeping speeding under control will only help.

So please, take your foot off the gas while you're in the subdivision, and remind your neighbors to do the same.

Solar Panel, Trash Enclosures, Trustee Eligibility Presentation May 29

From 7-9 p.m. at St. Peters City Hall.

Please come with your questions but not your criticisms. This event is to learn more about solar panels, trash enclosures and trustee eligibility, not complain about other homeowners or try to convince others how to vote.

As always, respect should be the norm.

Next Bulk Trash Pickup June 27

The next bulk trash pickup for Drovers Crossing is June 27.

As a reminder, bulk trash is picked up the fourth Wednesday in March, June, September, and December in Drovers Crossing.

If you would like more information, please call the City of St. Peters at (636) 970-1456.

What Would You Like to See?

Is there something you'd like to see in the newsletter? Let us know. www.drovers-crossing.com

Spring/Summer 2018

When in Doubt, Fill it Out

Not sure whether you need to submit an architectural review form for changes you want to make to your home?

Just ask.

Our property management company, CMA, is always happy to let you know.

An architectural review form has been included with the newsletter. Their contact information can be found on it.

A copy of the form can also be found on our website, drovers-crossing.com.
